

TRULL VILLAGE MEMORIAL HALL

DATA PROTECTION POLICY – 1st February 2023

Reference UK-GDPR

(Updated 31st January 2020 following Brexit)

AIM

The purpose of this policy is to ensure compliance with the terms and principles of the General Data Protection Regulation 2018, so as to protect the privacy, security and avoidance of misuse of data provided by the halls trustees and its clients. It is also designed to allow individuals better control of their data and to withdraw their consent at any time.

UPDATE TO EU-GDPR

A new domestic data privacy law called the **UK-GDPR** took effect on January 31, 2020, and – alongside the Data Protection Act of 2018 and the PECR – governs all processing of personal data from individuals located inside the United Kingdom.
